UNITED KINGDOM
 22nd World Scout Jamboree Sweden 2011

The World Scout Jamboree is the biggest thing in Scouting. Every four years, tens of thousands of Scouts from all over the world gather together to celebrate the very best that the Movement has to offer.

The next Jamboree will take place in Sweden in July and August 2011. If you were born between 25 July 1993 and 27 July 1997 you could be there!

SELECTION AND PREPARATION – IT ALL STARTS NOW

- The first stage is to apply to join your local Unit.
- Once selected you will begin to get to know the other members of your Unit as you prepare for the main event
- Fundraising will be a fun and useful way to tell people about the Jamboree. Perhaps you could plan a big event, or write to people you know.

PRE-EVENT – ALL TOGETHER NOW

- All Units will meet overseas for a day or two before the event starts for the party of a lifetime. We can't give too much away, but it will be big and it will be special.

THE MAIN EVENT – WELCOME TO THE WORLD

- 32,000 people from 217 countries and territories, in one place at one time
- Meetings, solidarity, nature
- Come together and see the world
- Take part in a vast range of exhilarating activities

HOME HOSPITALITY – LIVING TOGETHER

- After the Jamboree all UK participants will travel to another European Country to spend time living with a family. An experience not to be missed.
